Suggestions:

1. Encourage local law enforcement to more fully investigate fraud committed by ID theft.
2. Encourage Visa and other credit card entities to converse more openly with legitimate investigators to more quickly ID the fraud.
3. Encourage prosecutors not to reduce the charges to misdemeanors.
4. Encourage judges to be more strict in the sentencing the violator.
5. Enhance the penalty and encourage prosecutors and judges not to plea bargain it down to misdemeanors.
6. Do whatever is needed to get rid of Internet servers that make it possible for people to send e-mails that cannot be traced.
7. Lower acceptable limits and encourage federal prosecution for ID theft and related fraud.
